

The background of the slide is a composite image. On the left, a pregnant woman is shown in profile, looking down at her belly. On the right, a woman is shown in profile, holding a baby close to her chest. The entire image is overlaid with a semi-transparent purple and blue gradient.

What mapping
perinatal education
tells us about the needs of
expectant and new parents
and the
multidisciplinary team
that provides this
education

Sheridan Guyatt, Shelley Wilkinson,
Michael Beckmann and Brianna Fjeldsoe

NESTING project

Mapping Perinatal Education

Mater Mothers Hospital

Expressed Needs

Education provided and participation patterns

Expert Needs

Published guidelines , systematic reviews and emerging evidence

NESTING project

Lessons from mapping perinatal education at the Mater Mothers

A central 'entry point'

Personal invitation to participate

Meet:

- expert recommendations through cross-discipline collaboration
- consumer's needs at the right time in their journey

Develop expertise in facilitating behaviour change

Measure meaningful outcomes
